Maria Parham Health's mission is simple: Making Communities Healthier®. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for north central North Carolina and southside Virginia today and for generations to come. Thank you.

## In 2019, we...

...added 66 providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in behavioral health, heart care, obstetrics and gynecology, inpatient rehab and physical medicine, pediatrics, and family, internal and emergency medicine.

...made more than \$10.3 million in capital improvements

**By continually investing in our facilities**, we're helping to ensure that we continue to meet our community's health care needs. This year, we invested in 3D mammography, a 20-bed adult behavioral health expansion at our Franklin campus and more.

...distributed a payroll of \$51,977,503 to approximately 800 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$62.3 million in services to those in need

**Delivering care to all of our neighbors**, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$8,019,470 in taxes

**We are proud to be a leader in our region**, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
